INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 50,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Dear Sir:-

I am in receipt of your letter of the 14th of August which I regret to say lay in the Post office here for over three weeks before reaching me, as you neglected to have the letter addressed with my initials.

Mrs Perry's claim for a share in the distribution of the Cherokee Indina Fund was No. ³³⁶⁵⁷~~33658~~. I have received a list all those whos application was approved by the Court of Claims, in Washington, and I regret to say that there was not a single claim that was made from Florida was approved. So it must follow that the claim of your wife was rejected. I enclose you a copy of a circular letter which I received with regards to nearly all the applicants that I sent in, and you can see from that why, probably, the claim of your wife was rejected. I would suggest that you write to Hon. Guion. Miller, Special Commissioner of the Court of Claims, Washington, D. C. and ask him to give you in full why the claim of Mrs Perry was not approved.

If I can be of any service to you in this matter, you may write me at this place.

Woodrow W. Hadley, -- being duly sworn, deposes and says:

My name is Woodrow W. Hadley. I am 48 years old. I am the father and guardian of the applicant. I live in Cherokee County. I have lived in the Territory since Sept. 30, 1884, and came from Ohio here. The applicant is 7 years old last October. He is enrolled by the Dawes Commission, Cherokee Roll #10730. He gets his blood from his mother. She is living. We are not living together. She was born in the territory. She is about 29 years old. She was enrolled by the Dawes Commission, and I understood she got the strip money. She gets her blood from her mother, Rebecca J. Loflin. My wife's name is Stella ~~xxxxxx~~ L. Henry; maiden name Loflin. Rebecca J. Loflin lives at Siloam Springs, Ark. She was born and raised in the Territory. She lives in the Territory now but Siloam Springs is the nearest P.O. She is about 50 years old. She was enrolled by the Dawes Commission. Her mother was an Emigrant, Nancy Dial. She was an Old Settler or Emigrant in the early days. I don't know which she was. I understood that she was on all the rolls. I think her maiden name was Nancy Ward. I think she was an Old Settler. My wife has had four husbands. I have no idea as to the time Nancy Ward came from Tennessee or Georgia. I don't think my wife's people have ever associated with any other tribe. I tried to get my wife and her father to make application but do not know whether they did or not. My understanding is that they did not put in application. My son has a half-brother Walter. They did not know whether they wanted to claim Eastern Cherokee blood. My wife's father, I think was also an Eastern Cherokee, and came from North Carolina, but do not think he claimed it.

John F. Vickery being first dgly sworn deposes and says:

My name is John F. Vickery, and I live at Wellman, Okla/ I am 55 years old. I claim my Indian descent through my mother, Nancy J. Vickery nee Jones. She died about 38 years ago at the age of 60 years or more. She died in Green County, Mo. My mother was born in N.C., but I do not know whether it was in Stokes or Guilford County. My mother ~~was~~ left N.C. when I was a baby. My mother was about 1/4 Cherokee Indian. We stayed some years in Ill. and then went to Mo. where she died. I have never applied for lands in the Indian Territory, chiefly because I knew nothing about it. My mother got her Indian blood through ~~her father~~ her father, Wm Westley Jones. I remember him well. He died in Mo. about 1870. My grandfather went to Ill. at the same time my mother did. I have often heard father ~~say~~ throw it up to mother about being an Indian. I have heard my grandfather and mother talk about being Indians. My grandfather was probably 70 years old at the time of his death. My grandfather got his Indian blood through his mother's people the Stephens. I do not know where any of these people died nor when. My sister has told me that they went west sometime, but we have lost all track of them. None of my people ever got any money from the government on account of their Indian blood. My father was the cause of this, as he never would allow my mother to claim her Indian descent.

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, please state whether you, your parents, or grandparents ever resided with the Cherokee tribe. If so, state when and where. Were you, your parents and grandparents recognized as white people, Indians or negroes in the communities in which you and they have resided?

Why was the parent through whom you claim not enrolled in 1851, and where was he or she residing in 1851-52, if living at that time? Where were your grandparents on the side through which you claim residing in 1854-55?

If your parents or grandparents were slaves, state whether slaves of Indians or white people.

Very respectfully,

Special Commissioner

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. MAY 22 1908
No. 215

May 15, 1902

Mr. Simon Miller.

I will answer your questions as best I can. I was young when separated from my relatives.

I do not know whether either of those you mention ever resided with the Cherokee tribe or not, but as far as I ever knew, they were always recognized as Whites.

I can not tell why they was not enrolled in 1851.

my Grand Parents were
living in 1834, but
I can not say where
they were as I have
not been with them
the other one, until
I was young.
I don't think they
were slaves.

Respectfully

#33686.

Marcus Y. Leach being first duly sworn deposes and says:

My name is Marcus Y. Leach, and I live at Gilliam, La. I am 49 years old. I have made application in behalf of my minor children to participate in the Eastern Cherokee judgment, as their natural guardian, and the one having their custody and care. These children mentioned in my application, #33686, get their Indian blood through their mother, Elizabeth J. Leach who died June 7, 1906. The information that I possess relative to the Indian blood of my deceased wife, Elizabeth J. Leach is based upon the fact that when agent Hester came around he showed me the papers establishing the fact that my wife's mother, Jennie Gravitt, had drawn in 1851 or 1852, \$999 on account of their Cherokee Indian blood. This money was divided between my wife's mother and the children that were then living. Agent Hester, at the time of which I speak, placed the name of my wife upon the so-called Hester roll. He also enrolled three of my children at the same time. They were the only ones then living. They were Darkus Lilla Jane Rich, Lillie Malinda Ann Leach, and Martha E. E. Leach. My wife's mother, Jennie Gravitt, was born in Forsythe County, Ga. She moved to Wilmer County a short time before her death. She died in Gordon County. She died in 1889 at the age of 70. Lock Langley and Z. T. Langley were half brothers to my wife's mother. My wife's brother, J. M. Gravitt, went to the Indian territory and was allowed land out there on account of ~~his Cherokee~~ his Cherokee Indian blood, and is still living there. Zack Langley, her uncle, is out there also. We are regarded in the community in which we live as white people.

Sir:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokee, please state whether you, your parents, or grandparents ever resided with the Cherokee tribe. If so, state when and where. Were you, your parents and grandparents recognized as white-people, Indian or negro in the community in which you and they have resided.

By was the parent through whom you claim not enrolled in 1851, and where was he or she residing in 1834-35, if living at that time. Were your grandparents on the side through which you claim residing in 1834-35?

If your parents or grandparents were slaves, state whether slaves of Indians or white people.

Very respectfully

Special Commissioner

Lauty C. Fagan.

#33689.

Lauty C. Fagan being first duly sworn deposes and says:

My name is Lauty C. Fagan, and I live at Harley, Tex. I am an 54 years old. The statement that I was 45 in my application is probably a mistake, as I think I am older than that. I claim my Indian blood through my father, Adam Fagan. He died in 1901 in Ala. at the age of 88. He was born in N.C. in 1813. On my memory being refreshed by my son, who is here by me, I think my father was born in Va. right on the N.C. line. I do not remember exactly when my father left Va. and went to Ga. where he lived several years before he went to Ala. He lived in Forsythe County in Ga. My father claimed to be 1/2 Cherokee Indian. and I, myself, have been accused often of being an Indian---a thousand times. My father never got any money in 1852, nor did he get any other rights. My father got his Indian blood through his mother, Lucinda McGuire, who was a full blood Cherokee. I do not know what her Indian name was. I do not know whether she mixed up with the Indians in her lifetime or not. My grandmother died in Va. before I was born. In the community in which I live it is generally recognized that I am of Indian descent. None of my ancestors were colored people. I never applied for any rights up here in the Indian Territory because I did not know much about it, and I was satisfied ~~in~~ to live in Tex.

John T/ Flanagan being first duly sworn deposes and says:

My name is John T. Flanagan, and I live at Hawley, Tex. I am 56 years old. I know Lauty C. Fagan, and I knew his father Adam Fagan. Adam Fagan lived in North Ala. when I first knew him. He was a white man, yet ~~was~~ a little dark. By his being white I mean that he went among the white people and not among the colored people. But he was of mixed blood. It was Irish and Indian. Cherokee Indian. I have often heard him say that he had Cherokee blood. I did not know Lucinda McTire. I do not know anything about the Indians recognizing him as an Indian or his having anything to do with them. I am no relation of Lauty Fagan, and I have no interest in any claim he may have against the Government.

John H. Stargell, being first duly sworn and examined,
deposes and says:

My name is John H. Stargell. I was born in Lumpkin Co., Ga. 1876. I claim my Indian blood through my father. I make no claim through my mother on this application. My father was born in Lumpkin Co., Ga. in 1840. My father got his Indian blood through his mother, whose maiden name was Janie A. DeFoe; her name was incorrectly stated on this application. My grandmother was born in Lumpkin Co., Ga.; I have seen my grandmother but I was a small boy when she died. I am unable to trace my ancestry back farther than my grandmother. I do not know when my grandmother was born. I do not know whether my grandmother ever lived with the Cherokee Indians as a member of the tribe or not, but my father never did. In 1858 my grandmother lived in Lumpkin Co., Ga.; in 1861 the father and grandmother through whom I claim lived in Lumpkin Co., Ga.; none of my ancestors through whom I claim were ever held in bondage. Both I and the ancestors through whom I claim were always regarded as white people with Cherokee Indian blood. I was not enrolled in 1882; none of my relatives ever went to the Ind. Terr. and secured land as an Indian; none of my people were ever enrolled that I know of.

Sir:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokee, please state whether you, your parents, or grandparents ever resided with the Cherokee tribe? If so, state when and where. Were you, your parents and grandparents recognized as white people, Indians, or negroes in the communities in which you and they have resided?

Why was the parent through whom you claim not enrolled in 1851, and where was he or she residing in 1834-35, if living at that time? Were your grandparents on the side through which you claim residing in 1834-35?

If your parents or grandparents were slaves, state whether slaves of Indians, or white people.

Very respectfully,

Special Commissioner

CWB/ALS

Wm. T. Austin being first duly sworn, deposes and says:

That I am 18 years of age. I claim my Indian descent through my father. Don't know where my father was born nor where he was raised. My father claimed Indian through his mother, KAKTAKAUSKIN. Candis Austin. My father was about 46 years old when he died. He died in Mississippi. My grandmother was born and raised in Marshall Co., Ala. and died there at the age of 77 years. It is said that my grandmother lived with the Indians in Alabama. She claimed to be 1/2 Cherokee. Never heard that father or my grandmother were ever on any rolls. My father was recognized as a mixed blood man. My father went to Mississippi about ten years ago. My father nor grandmother never received anything from the government by reason of their Indian blood. I don't think my grandmother had any brothers or sisters. Don't know my grandmother's name before she was married. My mother is a full blooded white woman.

Dear Sir,

On August 7th 1908 you addressed to Mrs. Nancy E. Ryan one of your assistants would be at Sherman Texas on August 25th for the purpose of taking testimony relative to the claim. I wish to state that Mrs. Nancy E. What character of secondary proof will be necessary. Please let me hear from you at once.

A. L. Mc Elfresh being first duly sworn in behalf of Nancy E. Mc Elfresh (deceased), deposes and says:

That I am 34 years of age. I am the son of Nancy E. Mc Elfresh. She died in January of this year. I did not make a separate application, but my mother put my name in with her application. My mother claimed through her mother; her father was a white man. Think her mother was born in Overton Co., Tenn. She was about 65 when she died. I don't know whether my mother or her mother ever lived with the Indians or not. My mother was recognized as white in the community. My grandmother was on the roll at the same time her mother was, in Overton Co., Tenn. My mother was about 11 years old when this roll was made. She never got any money or land. My grandmother's name at that time was Hunter. My mother's mother had a brother named Buck Ledbetter. If she had any sisters, I never heard of them. I don't know whether my mother or her parents ever lived with the Indians or not. They left Tenn. in 1851 and that was the time they were enrolled. Don't know where my great grandparents came from. My grandmother did not have any other name than that of Ledbetter or Hunter. They came to Missouri (Texas Co.) and my grandmother lived there until she died. My mother never made any other application than this for Indian rights. My mother claimed to be 1/8 Cherokee. None of her brothers and sisters have made application that I know of. Never heard my mother say anything about being on any Old Settler roll or receiving any Old Settler money.

Dear Sir in reply to the above letter saying that the reason my parents & grandfathers did not enroll was they did not want to be German in the Indian Territory. They were never held as slaves. They lived with the Chickasaw tribe.

Sir:

Your letter of October 18, 1909, relative to your wife's claim, is at hand. In reply you are advised that it is impossible for me at this time to state when the Eastern Cherokee fund will be distributed.

However, the money cannot be paid out for some time yet, as there have been a large number of exceptions filed to my report, and until these are considered and passed on and the roll finally approved by the Court no money will be paid.

Your wife should keep this office advised of any change in her postoffice address.

Very respectfully,

Special Commissioner

H. M. HEUSER,
ATTORNEY-AT-LAW.

WYTHEVILLE, VA.

July 2nd 1909

Clerk U.S. Court of Claims,
Washington, D.C.

Dear Sir:

Regarding roll of Eastern Cherokee recently filed in your court by Mr. Simon Miller Com^r. Some time ago my client received a circular letter stating that claim # 34758 was rejected, and that exceptions to his report were to be filed in the Clerk's Office. Then I received a circular letter from Mr. Miller stating the roll was out of his control - and also stating in general terms that this claim had been rejected because claimant had not brought himself within requirements of the Act - and this in very general terms. I then wrote the Clerk & asked, why # 34758 had been rejected. In reply I receive another copy of Com^r Miller's circular letter, giving me no information whatever. I wished to know

specifically - why this claim was re-
jected - so as to decide whether or not
I should expect to report. It seems that
you could give me this information.
I do not care to make a trip to Washing-
ton for that unless necessary.

Let me hear and oblige,

Yours Truly,

This group does not seem to have any merit with the possible exception of the two minor children of Winfield Stewart - Sallie B. and Eva S. Stewart who are enrolled by the Dams Com. at #30047 & #30048 respectively. In application #33761 under remarks it is stated that Sarah C. Twist ne Harris is the grand mother of Eva S. Stewart. Sarah C. Twist has filed an application #4598 (with #2408) and she was enrolled in 51-2 in Table. det. #464.

I investigated carefully as to whether Sarah C. Twist is in fact the grand mother of their children.

My name is Martha Duncan; my post-office is Briggs, Okla.; I am seventy-one years old; I know Winfield Stewart and knew his parents; the father of Winfield Stewart was called Tip Stewart; I knew the parents of Tip Stewart; Tip's mother was named Meriah Stewart; I became acquainted with Meriah Stewart about 1856 or 57; I was then in Lumpkin Co., Ga. She was married then; Meriah Stewart's name was Jordan before she was married; Meriah Stewart's mother was a half breed; Meriah Stewart had several children when I first knew her but they were small; she was living near Knucksville, Ga.; I left Georgia in seventy; Meriah Stewart moved to Tennessee just before that but did not come west; Meriah Stewart's mother belonged to the Cherokee tribe of Indians; I never heard of her drawing any money as a Cherokee; she never had any Indian name nor none of her children have been enrolled as Cherokees in this country; she left Lumpkin Co. just before the war; I lived within about a half a mile of her at one time; there was no Indian settlement around there at that time; Meriah went to Tennessee but her mother went to Cherokee county, this was just before the war; Meriah Stewart's mother told me that she was a half breed Cherokee Indian and Joe Davis told me the same thing; Meriah Stewart's mother was named Anice Jordan; I am a quarter-blood Cherokee Indian; I am enrolled with the Dawes Commission; I am not related to the Stewarts.

Special report

on case

#32761

Winfield Street

In re #33761.

The ancestors through which this applicant makes claim were not enrolled in 1851 by Agent Chapman, although they were living in Lumpkin County, Ga., where the enrollment was made, and they were known by English names, ~~and~~ reason is given for their failure to be enrolled at that time. If they had been recognized as Cherokee Indians it is quite certain that they would have been enrolled at that time. Further testimony in support of the claim is that made by Martha Duncan, but she can give no statement further than that she was told by them that they were of Cherokee blood. Applicant's father made application in 1886 or 1887 for enrollment as an Indian in Indian Territory, but his claim was rejected. This claimant fails to establish his right to share in this fund in his own right.

Claimant's first wife was a Cherokee Indian, being the daughter of Sarah C. Twist, who has filed application #4598, and who was enrolled in 1861 by Agent Drennen in Tahlequah 464. Therefore applicant's two children by the first wife, Sallie and Eva L., are entitled to enrollment.

See testimony of Martha Duncan and Winfield Stewart in Miscel. Testimony ~ 3936.

Sir:

Please advise me as to the requirements of an Eastern Cherokee to participate in the fund to be distributed to those people.

Hettie E. Koose has handed me a card showing that she has made application for participation in that fund as an Eastern Cherokee and claims to have very reliable proof that she is an Eastern Cherokee and came to the West with that tribe of Indians.

I would be pleased very much if you would advise me as to just what steps will have to be taken to establish this womans right to a distribution of this fund.

Sir:

Hettie E. Koose has this day placed in my hands the matter of her interest in the fund to be distributed to the Eastern Cherokees. She claims to be an Eastern Cherokee and has employed me to inquire as to the status of her claim.

Her application number 33780 as shown by a card received from you, shows that she has made application for enrollment of herself and three minor children, namely Marshall L. Koose, Tillie O. Koose and Timmie Koose.

These people have many witnesses who came from the East with them to prove their claim to a participation in the fund. I will gladly furnish you this information or proof through any source that you may require.

Please give me such information as you conveniently can in regard to the status of this application and the requirements of the Department for participation in this fund.

Sir:

I am in receipt of your favor of recent date in regard to application number 33780 filed about May the 23rd 1908, Hettie E. Koose on behalf of herself and children. I did not desire to know the status of these particular claims but wanted to know if the time had expired within which proof could be offered or made to establish ones rights as an Eastern Cherokee.

These people are undoubtedly entitled to enrollment but seem to have neglected proof of their claim, and if given an opportunity will establish beyond a doubt in the minds of your Court their rights as Eastern Cherokees.

Please let me know if it is too late to offer proof or additional proof of their rights.

Lousianna Jenkins, being duly sworn, deposes and says:

My name is Lousianna Jenkins. I am 49 years old. I live in Mays County. Have lived in Rogers County, previous to five years ago. I was born in Missouri. I left Missouri five years ago. I was not enrolled by the Dawes Commission. I did not get the strip money as I did not apply for it, as I was not living here at that time. I have never associated with any other tribe of Indians. I claim Cherokee blood. I get it from both parents. My mother's name was Temperance Foley. She is dead; died two or three months ago. She lived in Missouri; she came here and then went back to Missouri to my sister's. She lived in this District. She came from Tennessee and was born there. She left there when a small child five years old. She was 80 years old at the time of her death. She was not enrolled by the Dawes Commission, because she was in Missouri. She may have been enrolled in 1851 for all I know. She got her blood from her mother, Martha Brown, before she married my grandfather Foley. Martha Brown lived in Tennessee until she married and had five or six children, when my grandfather moved to Missouri, and she lived and died in Missouri. I don't know whether my grandmother was ever enrolled. I did not know her. I never heard my people say anything about getting any money from the government, but some of my relatives here did. The Foleys of Cowskin prairie. My father's mother was Charlie Prather. He died in the Territory. He married my mother in Missouri. He got his blood from his parents, Polly or Mary Ann Prather. I think his name was John Prather. They lived there until after my father was grown when they came to Missouri. I have heard talk of the treaties of 1835-6 and 1846. I don't know whether they were parties to that treaty. They went to Missouri among the first Indians who went there. When the Indians left Missouri and came to this territory she was about 18 years old. They never received any Old Settler money that I know of. My mother's brothers were Al and Jim and Franklin and Andrew Foley. The girls were Urrinda, ~~Elizabeth~~ Tolitha, Narcisse and Drucilla, Mary and Jane and Rachel Ann and Louissanna. Jim was the only one that came to the Territory. One of my mother's ~~sisters~~ ^{sisters} was Mary and Sally Brown. I have an aunt on my father's side who lives in Backled County Mo., Mary Ann and Malinda Prather and John Prather, who came here and John and Bill lived in Tennessee. I do not remember my grandparents brothers and sisters.

W. H. Jenkins,

Conneaut, Ohio.

Sir:

Your letter of Oct. 5th, 1908 received. We have to advise that the application of your mother has been given a preliminary examination but it has not yet been finally acted upon.

More than 44, 000 applications have been filed and in many instances testimony will have to be taken locally in order to obtain the necessary information to pass upon the claims. Some of this testimony has already been taken and several parties are now engaged upon this work, but it will necessarily take considerable time to complete the taking of testimony and the final adjudication of the claims.

Very respectfully,

Special Commissioner.

Madam:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, state where the parent through whom you claim resided in 1834-35, if living at that time.

Guion Miller Esq
Special Commissioner
Eastern Cherokee Claims,
Washington D.C.

Dear Sir, Sometime
in June of this year I wrote you,
informing you that Sarah E. Jenkins,
one of the Claimants in the Eastern
Cherokee Claims, was spending the
summer with me, her son. This is
to inform you that she is leaving
here within the next few days to
return to Chicago, 229 Honore St.
She will go there for only a few days
then proceeds to Kansas City, where
another son is living. Some time
in December I hope to establish her
in a permanent home of her own
some where in N.W. Arkansas, or
S.W. Missouri where so many of her
relations live.

I could wish that one of your
assistants could see her before you

Close that matter, as she has all the facts at her fingers ends, she is getting pretty old, and has seen lots of trouble, and though I try to tell her that this matter can make no difference to her, as she will always have what she wants, if I live, she continues to worry. She spoke of one "Jack" Ponderer a few days ago, being one of the probable claimants from North Carolina, there are or rather were two men of that name, one of whose descendants would be entitled, but the others descendants would not, he the 2^d. was called "Stray Jack," from having been found on the old gentlemen's door step, many thought him an illegitimate child, I am not very clear on the history of my family, so I can't tell you much about it, but she can, my mother would like to know, approximately, when this matter is likely to be settled, and if you could give her some date, I personally don't care so much, but it would set her mind at rest, even if you put the date a year or two years ahead.

May I trouble you, sir, to drop me a line, in reply, and please accept my apology for this long letter.

Very Respectful
